HAPPY NEW YEAR!

Heres hoping 2018 will be a better year with great gardens full of beautiful DAHLIAS, spectacular shows, and renewed friendships. Show times are stressful and busy beyond belief, but I wouldn't miss one if I have good blooms. Growing and showing dahlias has been a wondrous time in my life for about thirty years. We have good and poor years but always a few surprises along the way.

We want to thank our many customers, and look forward to adding new names on our list.

Our gardens are shrinking and the number of varieties to 250. If you see a variety on our list, it should grow where you live. We choose dahlias for show and cut that have proven quality.

OUR GUARANTEE: We guarantee our tubers to have a viable eye and be true to variety. When you receive your order, inspect the tubers. If you have any problems, let us know as soon as possible and **before planting**. We will gladly replace tubers or refund your money, however we may require tubers be returned.

BONUS TUBERS: one for each \$30.00 of tubers purchased (**shipping not included**); **our choice and dependent upon supply**.

Cultivars are listed with a combination of classification number followed by position in group, name, size, form, color, plant height, year of introduction, and other info. You will find many of the **"FABULOUS FIFTY"** and **"CREAM of the CROP"** and good old reliables.

Confirmation will be sent as soon as possible. We ship **Priority Mail** within the U.S. on Mondays and Tuesdays starting April 1 unless otherwise requested. **Shipping and handling rates** are at bottom of order form. Make payment by check or Money Order **payable** to Michael Valler – **NO Credit Cards**.
